Small Talk (General)

Busy today?

Been up to much?

Got any plans?

Any plans for the weekend?

Doing anything nice?

. What did you get up to?

Had a good day?

Had a good weekend?

How was work?

How was your day?

How's work going?

How's life treating you?

What are you up to later?

Doing anything fun?

Got anything planned?

What's new with you?

Anything exciting happening?

How's the family?

How are the kids?

How's the job going?

Still working there?

Been busy lately?

What are you watching these days?

Seen any good films lately?

Read any good books?

Listening to anything good?

Been anywhere nice recently?

Any holiday plans?

Fancy a holiday?

Long week, eh?

Glad it’s Friday!

Monday blues?

Nearly the weekend!

Weekend flew by.

Back to reality.

Need more coffee.

Same old routine.

Can’t complain really.

Time flies.

Life goes on.
